

BEGINNING BRIDGE AT ANDREW ROBSON BRIDGE CLUB

Why Learn Bridge?

Whether aged 8 or 88, Bridge is the best way to keep your brain agile, whilst making new like-minded friends. It is an endlessly stimulating game and great to learn. Seize the moment – start now!

Why Learn at ARBC?

Recognised leaders in our field, we specialise in teaching from absolute scratch, taking things slowly enough for everyone to get the hang, but keeping things moving, as you will be dying to get to the next stage. Andrew may be a World and European Champion, but he has taught many thousands of Beginners over the past twenty years. By making things practical, he knows exactly how to make the game as easy as possible to learn, and, most importantly, he and his team make it fun!

Andrew's team of teachers – the best in the land

ARBC has an unrivalled strength in depth of teachers, both in their excellence as players and, most importantly, as teachers of the game. Apart from Andrew himself, Daily Bridge Correspondent of The Times and teacher extraordinaire, there's David, who possesses a rare talent: one of the World's Top 100 players, current leader of the English Gold Point List and with many international successes under his belt, his clarity and communication skills are exceptional, as his large and devoted following will testify. There's Caroline, whose enthusiasm knows no bounds; a class with her will put a smile on your face for a week, plus you'll learn tons of exciting new Bridge. As indeed you will from Richard, Nick, both with national successes, and Natasha. All have never-ending keenness to impart their wisdom.
